

SOCKET BOARDS

OUR MANUFACTURING STRENGTHS

Latest technology equipment

Well Equipped Testing Facility

1800+ Sq. Ft. of Manufacturing Unit

3000+ Sq. Ft. of Fabrication Unit

Capacity to manufacture Control Panels up to **5000** Amperes

OUR SERVICES

Manufacturing of all type of Electrical Control Panel

Service of Electrical Control Panel (LT)

Servicing of APFC / Capacitor / Power Factor Panel

Servicing of all type of Current Transformer

Retrofitting of all type of breaker / Manual Changeover / Auto Changeover

Servicing of all make ACB (Air Circuit Breaker up to 630A-5000Amp.)
L&T, Siemens, Schneider, ABB, GE, etc. Breaker Over Haul
